Artist Residency (May 2027)

The Jasa Association is applying for an artistic residency that will take place in Slovenia in May 2027. The residency will be dedicated to a writer, illustrator/artist, and a cultural professional (researcher, philosopher, publicist). The artists will work together on creating a new digital book, focusing on alternative

possibilities for the future society. Accommodation will be provided in renewed vineyard cottage. The residency is an opportunity to collaborate on exploring ideas for a more just, humane, and livable society, based on the exchange of ideas between experts.
